Dear Ms. Dortch:

On November 7, 2007, Alexandra M. Wilson, Vice President of Public Policy and Regulatory Affairs, and Lauren M. Specifically, the parties discussed Cox's position, as expressed in the National Cable and Telecommunications Association, regarding whether refining the Commission's leased access rules is necessary to ensure diversity of cable programming given the current video marketplace.

Kindly contact the undersigned if you have any questions regarding the foregoing.

Respectfully submitted,
